Or, call meat home, at (703) 271- 9339. The Assassination records Review Board announced that it is releasing 85*NSA documents relating to the Kennedy assassination. These documents wreall previously withheld in full, and have never been seen by the public. This release marks the first time the NSA and ARRB have cooperated to makeinformation public under the terms of the JFK Act. Many of the records reflect the worldwide confusion and shock whichimmediately followed the assasination. There are expressions of condolencefrom foreign governments, as well as internal deliberations as to the propergestures of mouring other nations. Should adopt. Issues of diplomaticprotoci are broached, as foreign governments scramble to decide who theywill send to the funeral, and what level diplomats are being sent by othernations.Diplomats in the field report back to their governments as to the mool madatmosphere in world capitals following Kennedy's death. There is alsodiscussion as to who might be repossible for the shooting, with much of theearly speculation centering on the American far right. Some of the documents center on Cuban reaction to the assassination. Changes in the alelert status of the
