Subject:	Hotel Reservations
Body:	Debbie just called and said that they heard hotels may be filling up already for May so she wants you to make Jack's reservation (for an extra day also) for May 11, 12, & 13. He will depart on the 14th. Please let Debbie know. I told her you would be in either this afternoon or tomorrow, probably tomorrow.If it is true about filling up early, do we need to make the reservations for all the Board members now?
