**Subject:** HI Dave

Here is a list of all the hssca staffers, from your list, that I copied, that have not, according to my records of 31 Dec, 17 Jan and 10 March, received a letter at all. Would you please let me know if the address on your list of hscastffers is accurate. I dont think so, because the list is old I believe you told me. Let me know what course of action we should take to expedite getting letters out to the following people and getting them out timely to the correct address. Baish is dead according to your handwritten note, please verify correct or not. Berning Billings Blakey Brown Buras Champion Delsa Emanuel Facter Fonzi Godfrey Grant Hardway, Dan L. Hutton, E. Mck Johnson Kelly Kiel, Joseph theres a question mark next to his name Leap Locke Morton Oppenberg Orr, patricia Orr Phoebe Curtis Palmer Price Purdy Resnick Rife Roberts Rose Shapiro, Howard Louis Sisson Triplett Wagner Walsh Watriss Welburn Wills Wizelman Wolf, Elizabeth Ann Wolf, James Zevnik With regard to Fonzi, and Hardway: because I did not have your master list until today, I was unable on March 10th to send out a "complete" mailing to all of those hscastffers with whom we have had presvious contact. Instead, I had to go by previous mailings, where we had pulled out the letters we did not want to go, because we wanted to modify them. Well now that I have the master list and saw that Fonzi, etc. did not get a copy (and that Jeremy brought it to my attention), I have made three letters for those three. The others, I need address verification from you as well as Jeremy's opinion on whether or not each on this list needs a letter, and if not, why not. Jeremy, please let me know if there's anyone above who won't need a letter at all, this way Dave won;t need to waste time verifying an address. He has all of the HSCA Consultants verified, and Janice is inputting them in the computer so I can merge next week. But the list above is not Consutants, rather staffers.
