Subject: call to Zapruder
In case you are accessing your email from home, I gave the message to both David and Jack, that 1) Silverberg had called 2) you said for Jack to please call Zapruder as soon as possible.I looked through Zap. correspondence for a phone number to no avail. I then called information and got the number (in Chevy Chase). I gave it to Jack who said he'll call Zapruder later this pm.Cathy
