Subject: FBI Request for Add. Info #20 and #21

Body: I spoke to Phil. He does not have the copies of the signed originals. He did remember what they were regarding. #20 is about sumbol numbers for Source file DL 282-S, and #21 is regarding Adele Edisen. They should have been fairly recent Phil said. He is emailing me the computerized versions of the above to at least print those out and use that for the file until the others are located. Please let me know if you have any other ideas on finding copies of 20 and 21 . Laura said she did not do them and does not have copies of them, either.
