Subject: David Taplin Correspndence File
E-I e-mailed Dave Montague that the number he had found for me was apparently not the David Taplin I wanted. You had faxed me a copy of the letter that I sent to him last June. It was printed off of the computer. I was wondering if you could check in the correspondence file for Taplin where there is probably a signed copy and see if I stuck any of my notes in there with a telephone number.Thanks. Since I hope to come down to DC before the end of the week, subject to David's okay, I'll go through my files then and not have to ask you to do it.T
