Wondering if you had any thoughts.TomTo: Joseph Freeman/ARRBcc: From: Tom Samoluk/ARRB Date: 03/10/97 06:23:15 PMSubject: Your Recollection on Stautus of Draft HSCA Final ReportPhoenix Base:Nice to see you in Washington last week. Hope you have made it to your final destination safely. As I re-enter the world of the ARRB, I was wondering if you recall what the status is of the Draft HSCA Final Report. As I recall, after getting some inquiries about it, you had the CIA reviewing it. Do you recall whether that review was completed? Did we ever send it to the Archives? Anything you could add or a suggestion on who I could check with on the Board staff would be helpful.Thanks.Boston BasePS Today's Weather: Five inches of snow on the ground for the morning commute.
