Subject:	document transfers to NARA
Body:	It looks like this will be handled a little differently from now on. NARA will pick up the documents from us.At any time soon, Steve (or someone on his staff) will be delivering some military documents to us. Whenever that is -- could be this week -- we will give them our Sept. and Oct. documents.We now need to push a little and start thinking about the Nov., Dec., and Jan. documents. It's probably easier for the JFK Access staff to pick them all up at the same time, however, if that is going to delay things on our end, we should concentrate on one meeting at a time. But then again, we need to play "catch-up" right now.Let me know your thoughts/ideas on this, and also if you have any time frame for the Nov. (and Dec./Jan.) documents.thanks!
