Subject: CORRECTED Confirmation re: William Anthony McKinney...

Ooops!!! I accidentally associated the Amtrak story as being related to the assassination...Please use this corrected version instead...Thanks! :-)
_____ CALL
REPORT Issue # 70Document's Author: Dave Montague/ARRB Date Created: 03.26.1997Who initiated the call? Review Board's representative in the call: Dave Montague316th Military Intelligence Project Subject: Confirmation re: William Anthony McKinneyDescription of the Call _____ Based on info from Tim Wray, I spoke w/ a McKinney yesterday who confirmed he was once a member of the U.S. Army's 316th Military Intelligence detachment during 1963. After I explained the purpose of the Review Board, McKinney (who was cordial) immediately asked if we were interested in discussing the "...whole Fletcher Prouty thing...". A source associates McKinney w/ the Erie Morning News as a reporter during the early 1990s. McKinney said he gave an assassination-related statement once while doing a story himself dealing w/conditions involving Amtrak. When McKinney saw the movie "JFK", he said he immediately recognized portions of his statements & the rest he described as "twisted". One example he said which "stands out" in his mind, is that his commanding officer named Colonel Rudolph Maximillian Reich was misidentified as a General. He also described a scene he calls "similar to Deep Throat" as not being very credible. McKinney said that if the movie made such "mistakes" re: these things, he wonders how many other inaccuracies exist. I told him I have no idea either way, but would like to discuss information/records he may have & that our Military Team would like to ask more specific questions; he said that would be fine. McKinney said the best time to reach him is after 1 p.m. EST & that he does not need to receive any explanatory material prior to a more in-depth interview. I verified his information & thanked him for his time. Mr. William Anthony McKinney4773 Greenbriar RoadErie, PA 16510814.899.1361 = home; 814.870.1808 = office fax
