**Subject:** Re: Rimestad Interview Memo

Chet, can you help Joe? Here's the problem...To: Cathy Rodriguez/ARRBcc: Michelle CombsFrom: Joseph Freeman/ARRBDate: 03/27/97 11:34:42 AMSubject: Re: Rimestad Interview MemoThanks! At least I'm part-way there. But I still can't do it, in that I believe the directory the document is in is "wpwin" on the C drive, and when I do the File/Attach thing I am not given "wpwin" as an option, and so can't call up the document (which, by the way, is 042697.wpd). I don't know if I created the document in the wrong place, or what. Maybe I should have checked in w/you and Chet before writing it! Any further assistance is much appreciated!To: Joseph Freeman/ARRBcc: Michelle Combs/ARRBFrom: Cathy Rodriguez/ARRBDate: 03/27/97 09:01:59 AMSubject: Re: Rimestad Interview MemoJoe, name the file in wordperfect, save and close it. Remember what the name of it is. Then go into Lotus Notes email, and hit File, Attach. At this point you'll get your g drive, or whatever drive you work in most often. Then select the rimestad memo and hit Attach (Ibelieve), but anyway it will be obvious what to hit at that point. Let me know if I can help further. If my directions aren't clear, call me, ext. 238 To: Cathy Rodriguez/ARRBcc: From: Michelle Combs/ARRB Date: 03/27/97 08:56:54 AMSubject: Rimestad Interview MemoCan you answer this? Does he send it the same way we would? Tracy has his phone number. So if you call me and tell me how to forward it, I'll do so!
