Subject: 1st post letter interview of Frank McGuire re: Evelyn Lincoln Estate
CALL REPORTIssue # 78Document's Author: Dave Montague & Brian Rosen/ARRB Date Created:
04.01.1997Who initiated the call? Evelyn Lincoln Project Subject: 1st post letter interview of Frank McGuire re:
Evelyn Lincoln EstateDescription of the Call McGuire (who was cordial) told us he looked for material after
receiving our letter dated 02.05.1997 & said he found nothing related. He has the manuscript from her 1st
work & the novel she tried to publish; he doesn't have any original notes. He also has "courtesy copies" of
tapes from JFK interviews & programs. He believes all of her notes (from when she tried to write a novel) were
shipped to the JFK Library in the 1980s. He said his belief is that Evelyn had a strong sense of
"appropriateness" & that she would've sent any historically valuable material to the JFK Library or some gov'n't
entity. McGuire said Maria Ray (from the Cannary Islands) considered herself to be the Lincoln's daughter. He
said Ray doesn't understand the historical importance of certain materials. McGuire said he & Ray are "not on
the best of terms". 301.320.7754
