Subject: Appointment With Jamie Silverberg to View Unidentified Film Materials

After taking a cab to his offices, Moses Weitzman and I were met by one of the people working for him (a tall woman named Ira) who passed along his apologies to us, and said that he had a conflict, was out of the office, and could not meet with us, or words to that effect. She gave me the following telephone number and said we could call him at home at any time to reschedule an appointment: (410)-732-9237. I told her that we could not reschedule an appointment for Mr. Weitzman, since he had to go back to New York this evening--(something I thought Mr. Silverberg already knew). In spite of Mr. Silverberg's non-availability, I did pass along the 3 documents you had asked me to, to his assistant. Mr. Weitzman seemed doubtful that he would be able to come down to Washington again in the future. END
