Subject: 1st post letter interview of Judge William H. Norton re: Evelyn Lincoln estate records

CALL REPORTIssue # 78Document's Author: Dave Montague & Brian Rosen/ARRB Date Created: 04.03.1997Who initiated the call? Evelyn Lincoln Project Subject: 1st interview of Judge William H. Norton re: Evelyn Lincoln estate recordsDescription of the Call We spoke w/ Norton today (who was cordial) & he described himself as "a close relative". He confirmed he received 3 trunks of material from the Estate, has yet to open them. He plans to open them in front of his local Sheriff (Norton deposited them w/the local Sheriff's office for safekeeping). He said the trunks are labeled w/the initials of relatives (example:"s & j" (for relatives Selma & John). Norton's opinion is that the trunks are most likely old family photographs. Norton agreed to contact us when he opens them & commented that he was told by Wayne Lincoln (Evelyn's husband) that Evelyn spent about 1 week (close to the time of her death) traveling to the incinerator & burning papers. He added that he doesn't believe she would've destroyed any "important" records re: the assassination because of her devotion to President Kennedy & her "historical awareness".Judge William H. Norton (semi-retired)650 South StateOsceola, NE 68651402.747.3551
