**Subject:** Revised proposal of "AV-TRACK" template for our interns...

How about these for checkmark boxes under the following categories???...This will really help the research community when we're done...The items in parentheses could be areas in which information could be typed!!!...Please let me know what you guys think (Chet: you really could keep this in "engraver's gothic you know!"(smile):ARRB audiovisual Track Database (AV-TRACK)RECORD
