Subject: Status of Letter of Support from the AHA

Anna: We are continuing our efforts at gathering support from the professional historians community for the Board's extension. So far, we have received letters of support from the SAA and Athan Theoharis. Ernest May agreed to write one, although we have not seen it yet. (I took up your suggestion of contacting original witnesses from the congressional hearings on the JFK Act.) In addition, Priscilla McMillan is also going to send a letter (she says hello to you). Could you give me an update on the status of the AHA letter? I also saw reference to Page Miller in an earlier e-mail. Is she going to write a letter of her own? The reason I ask is that McMillan thought that Page would be a great person to get a letter of support from. Whatever information you can provide is appreciated. Thanks. Tom P.S. Nice to see you last week. Things have improved dramatically in Boston. Today's temperature: 68 degrees. A lot nicer than 30 inches of snow!
