CALL REPORTDocument's Author: Joseph Masih/ARRB Date Created: 04/07/97 The Players Who initiated the call? Review Board's representative in the call: Joseph MasihDepartment of the Army's representative in the call: C. Sue NelsonDescription of the Call Date: 04/07/97Subject: Nagell File at DAIGSummary of the Call:I called Monday Afternoon to speak with Ms. Nelson, but instead I was put through to Lt. Colonel Stockel the Deputy Legal Advisor at DAIG. Colonel Stockel was aware of the situation regarding the Nagell file and had been asked to speak with me by Ms. Nelson. Colonel Stockel told me that they have been given a number of rush tasks which they have been forced to act upon, but that they will be able to get to the Nagell file in two weeks. She added that since the majority of the file is For Official Use Only (FOUO) that it would not take long to process the file.I informed Colonel Stockel we want to present the Nagell file to the Board by the May 12 meeting. She said that she did not think that it would be a problem to have it ready before that date. I asked whether or not they had the legislation and added that it supersedes FOIA and Privacy Act. She responded that DAIG has the legislation and they are aware that it will expedite the processing of the file.Don't forget to compose individual Action Item documents for any action items that resulted from the call!
