CALL REPORTIssue # 78Document's Author: Dave Montague & Brian Rosen/ARRB Date Created:
04.09.1997Who initiated the call? Evelyn Lincoln Project Subject: Conversation w/ Lisa D. Norton re: Evelyn
Lincoln estate recordsDescription of the Call _____ We spoke w/her today, explained the nature of the Board
& our interest in 3 file cabinets she received from the Lincoln Estate. Norton said she was Evelyn's niece &
received only "Norton family" related items such as photos, etc. She added that Judge William Norton is her
"dad", but has no idea what is in the material he received & is waiting for him to open it. Norton visited the
Kennedy Library about 1 year ago when she was working on a book. While there, Megan Denoyers (of the
library) showed her a box filled w/Evelyn's diaries. Norton described the box as:"...the type you'd find canned
goods in at the grocery store...it wasn't very big...". Norton agreed to call if she finds any other material.PO
