CALL REPORTDocument's Author: Ron Haron/ARRB Date Created: 04/10/97 The Players Who initiated the call? Review Board's representative in the call: Ron HaronWhite House's representative in the call: Lt. Col. Gregory RathDescription of the Call Date: 04/10/97Subject: WHCA RecordsSummary of the Call:I spoke today with Lt. Col. Gregory Rath, Assistant Chief of Staff for the White House Military Office, regarding the assassination-related documents that WHCA has located to date. At my request, Lt. Col. Rath said he would forward to the JFK Collection the originals of the documents that have been located and would coordinate with Steve Tilley. On the issue of other records, Rath stated that WHCA has no 1963-64 records whatsoever. I raised with Rath the issue of audio tapes of the Air Force 1 communications on the day of the assassination. He suggested contacting the base commander at Andrew Air Force base, but indicated that it was a routine practice to erase and reuse tapes that are made of communications to and from Andrews AFB (I pointed out that edited versions of the tapes are in existence). Rath said that WHCA reports to the White House Military Office; the Chief of Staff for the White House Military Office, who is a Presidential appointee, in turn reports to the White House Chief of Staff, not to the Secretary of Defense. Don't forget to compose individual Action Item documents for any action items that resulted from the call!
