Subject: Cuba documents

Thank you for your suggestions, which I have incorporated into the attached list. I have combined your two separate lists and have reformatted them somewhat and suggested some general headings. Manuel, after consulting with Christopher and Irene, would you please go through the attached document and place all entries under the appropriate headings and put in the full titles and dates of the documents, to the extent we have them?It would have been helpful if you could have combined your suggestions into a single document, with a consistent format, with the same typefaces, and with complete titles. (I was hoping to be able to simply cut and paste your document into the document I am working on.) Your lists also excluded at least two documents that I had mentioned: the 67 IG Report and the CIA report on Cuban exile groups. Was there a reason for excluding them?
