Body: CALL REPORTDocument's Author: Ron Haron/ARRB Date Created: 04/22/97 The Players Who initiated the call? Review Board's representative in the call: Ron HaronDepartment of the Army's representative in the call: Pat SmithDescription of the Call Date: 04/22/97Subject: Army ComplianceSummary of the Call:Mr. Pat Smith, who works with Ed Arnold and Linda Dean (the Army's Compliance Official), called today to inform me that the Army is reorganizing its records management organization and, as a consequence, will be designating a new compliance official. The expected new Compliance Official will be Col. J. Moore, Director for Information Management. He will replace Linda Dean. I was told that the new appointment would not affect any of the current deadlines regarding compliance, including the Army's commitment to submit the Compliance statement in May. I expressed some consternation that we had to wait some months before appointment of a compliance official (Dean was designated only several weeks ago), and now we are being told that a new person is to be appointed. Nonetheless, I said we will work with whoever the Army appoints, and I asked that they submit to us in writing their designation of a new compliance official. Don't forget to compose individual Action Item documents for any action items that resulted from the call!
