Subject:	Review Track Matters-URGENT
Body:	Chet, could you please take the following two actions by close-of-business Friday?-Add me (Douglas Horne) to the list of supervisors in Review Track, so that analysts who work for me can send me Review Track documents for routine review;-Give Christopher Barger (my NSA Review Track person) the ability to edit documents in Review Track Archive...the need has cropped up, and surely will again in the future. Christopher can provide details.
