Body: CALL REPORTDocument's Author: Joseph Masih/ARRB Date Created: 05/06/97 The Players Who initiated the call? Review Board's representative in the call: Joseph MasihUS ARMY Central Security Facility's representative in the call: Elaine RogicDescription of the Call Date: 05/06/97Subject: DAIG letter dated May 5, 1997Summary of the Call:I called Elaine Rogic regarding the DAIG letter on the Nagell file which I had faxed to her on Monday morning. She said that after reviewing the first 500 pages she found that there were in fact some classification markings which had not been removed. Elaine said that apparently the person working the case had overlooked these markings and not crossed them out. Thus Elaine believes that this is what DAIG is referring to in its letter. I inquired as to whether IRR will remove those classification markings and she said that they would. She also said that she would fax me a list of the pages with the markings and their disposition. I suggested that she send a copy to COlonel Neveu whose signature is on the DAIG letter.Elaine will try to get the fax to me by this afternoon. In addition, Elaine openly expressed her agitation as to why DAIG did not raise the issue with her so that it could be easily rectified between IRR and DAIG. Don't forget to compose individual Action Item documents for any action items that resulted from the call!
