Subject: Ragano Notes
I spoke with Sue Fortinato of the Secret Service today. Ms. Fortinato has been conducting the examination of the Frank Ragano notes. Her preliminary results are that certain notes (Ragano deposition exhibits 11, 25, and 29) were written no earlier than 1988; another note (Ragano deposition exhibit 26) was written no earlier than 1984. This is based on an analysis of the ink used. She still has to analyze some other Ragano notes (exhibits 4, 5, and 27) and will have a formal report shortly.
