Compliance Meeting with Joint StaffRon and I have a compliance meeting with Joint Staff week after next. He suggests, and I agree, that it would be useful, and in fact wise, to have a list of the topics that they have tabbed in the 40 boxes in the SCIF, so that we don't end up asking for things they have already given us, and so that we also show the proper appreciation for what they have identified already.Accordingly, please prepare a list for me (in the form of a wp-doc) of the file names, or topics, that they have tabbed in the 40 boxes in our SCIF, by C.O.B. next Thursday. I will need Friday to review the list prior to the meeting Ron and I are going to on Monday.Thank you.
