CALL REPORTDocument's Author: Brian Rosen/ARRB Date Created: 05/12/97 The Players Who initiated the call? Review Board's representative in the call: Brian RosenUniversity of Mississippi Law Center's representative in the call: John SobotkaDescription of the Call Date: 05/12/97Subject: Eastland PapersSummary of the Call:Mr. Sobotka is responsible for the Eastland Papers at the University of Mississippi Law Center. He previously had forwarded to me a two volume finding aid to the collection. I informed him that I had reviewed the finding aid and had identified a handful of entries that might be relevant to our work (the most likely candidate being a folder labeled JFK-Martin Luther King Investigation). We agreed that he would review the contents of the folders I had identified and then call me and let me know what he found. If we determine that any of the records are "assassination records" under the JFK Act, he will make copies and forward them to us for Review Board consideration. He stated that he should be able to follow up on this matter within the next couple of weeks.Don't forget to compose individual Action Item documents for any action items that resulted from the call!
