Subject: weekly report FBI team week of May 8-14

I hope you won't mind a condensed report this week -- the week has been mostly consumed with "new process" issues. As you know, we have ten subjects slated for negotiation tomorrow with the FBI. The new process is definitely moving us through these files MUCH faster than we would have been able to move through them under the old process. The files we have ready to go are: Loran Hall, Judy Exner, Bill Alexander, Orest Pena, Sylvia Odio, Bunny Breen, and Cuban groups J.U.R.E. and M.I.R.R. Joan is at the FBI today and she will hopefully have some more files ready for tomorrow. We had our first weekly Tuesday a.m. team meeting this week, We discussed new process issues. Yesterday, Carol gave me the FBI's draft compliance statement. I will give you a copy and Ron a copy. Ron and I will set up a meeting with Carol to discuss FBI compliance.
