John-Thanks for the note. The editor of the \_Washington Spectator\_ , Ben Franklin (formely of the NY Times) showed an interest in us from the very beginning. He used to track us in every issue, but there hasn't been an article in some time. Max Holland is a brilliant writer who is working on a book about the Warren Commission. The article comes at an important time with Congress considering our extension. Too bad almost nobody reads the Spectator! According to Ben, the circulation is about 60,000 with readers in every state and a disproportionate number of RFD addresses.Looking forward to seeing you in June.Best to Debbie and Molly.David
