Hail, bounteous May, that dost inspire Mirth and youth and warm desire! Woods and groves are of thy dressing, Hill and dale doth boast thy blessing. John Milton
May 18 (happy day!) Married when bees over May blossoms flit, Strangers around your board will sit. (not sure what this means)
May 19 Place simple windmills in your garden to deter moles.
May 20 To avoid a toothache, never wash on a Tuesday.
May 21 A rat won't go through a soaped hole.
May 22 (Full Flower Moon: This moon marks the full blossoming of spring with flowers in abundance everywhere.) Gardeners may rub on oil of camphor or cloves to discourage biting insects.
May 23 Sweat makes good mortar.
May 24 To aid sleep, place violets in your bedroom.
