Subject: FBI team meetings/negotiation this week
As you know, we have decided to stop working with the brown-outs when we negotiate the HSCA subjects at the FBI. From now on, the FBI will prepare yellow highlighted files for our review, we will use red marker to indicate which postponements we agree with, and we will negotiate from these yellow/red copies. In order for the Bureau to have time to get the next set of files ready for our review, our next negotiation session is scheduled for next Thursday, June 5, at 10:00 a.m. Accordingly, we won't have an FBI team meeting today at 10:00 -- we'll have our next team meeting, provided everyone can make it, next Tuesday, same time, same place.
