**Subject:** George Ball memoires

**Body:** In his memoires, the title of which I don't remember, George Ball says that shortly after the JFK assassination he called John McCone and told him that the Watch Committee should be put on alert. Ball reports that McCone said that he had already done that. Please borrow a copy of the Ball book and copy the pages on the assassination (along with footnotes, if any), and give a copy to Michelle and to me.Thanks.
