Maria Rudensky just called to tell me that the secure phone call for June 10 is arranged. They will initiate the call at approximately 10:00 a.m., our time. (I told her they would need to call us at our regular phone number when ready and then Jack would go to the SCIF to talk on the secure line.)Would it be a good idea for us to have someone in the SCIF to receive that call in case they call only that number? Should the modum be turned off earlier in a.m. in anticipation of this call?It has been decided that instead of the ambassador the person who will be talking to ARRB is John Boris, Deputy Chief of Mission, because he will be staying on there after the ambassador leaves on July 8.
