Subject: memo

Body: Ron I wasn't sure if you were aware of this, but all memos, (internal memos, such as the one dated 10 June 97 from you to David & Jeremy) also must be in the file, in this case, 4.17.3. If it isn't in there already, please give me a copy of the memo with your initials. The memo that goes in the file should be the original. Those that are distributed to the addressees should be the copy. I know this is odd, but due to the nature of our records being kept for the historical record, that's the situation. Thanks Cathy. Let me know if you have any questions.
