**Subject:** List of Compliance Officials

**Body:** Doug -- I am compiling a master list of Compliance Officials for each agency, including the defense agencies. The list will be used by the FBI to make referrals to 3rd agencies. To the extent that any of the defense-related persons with whom you have been working to declassify records are NOT compliance officials, can you give me their names, addresses, phone and fax numbers so that we have the appropriate person to whom to direct third-agency referrals. I'll then include them on the master list. thanks. -- Ron
