Subject: PSR
The next time you go to NARA, would you please make a copy of the USSS protective survey report for President Kennedy's trip to Chicago on April 28, 1961? It is in Box 3. I have left a message with Martha telling her we would like to have this PSR and that someone from our office will come out and get it. It is not yet an "assassination record," and it is not open.
