**Subject:** Update on Congressional Matters  
David: 1. Jennifer Rouse checked in with Mrdeza and called me back. Rouse said that Mrdeza reiterated that she did not foresee a problem if the authorization bill gets hung up. There was no elaboration, simply that agencies continue to operate without authorization. When I again asked about the sunset date in our statute, Rouse said that she mentioned that to Mrdeza and Michelle said that it was not a problem. Michelle has not steered us wrong in the past. So, hopefully she is correct.2. I left a message for Hertling with a receptionist.3.
