**Subject:** Tapes re: Perry Raymond Russo and Gordon Duane Novel

Eric: Thank you for your response regarding the transcripts. However, please see the memo below. Under three entries (highlighted) there is a reference to transcripts. Please advise me who you checked with at the Archives. If they are not in the JFK Collection, then maybe they are with the original tapes with David Kepley. Please ask Dave Montague what the references to transcripts mean. It says in the introduction that the material is at the Archives. Please advise. Thanks.
