Let's try this lunchtime movie stuff one more time, on Wednesday, July 2nd, at 12:30:-The documentary is only 45 minutes long, so its within our allowable time window;-It has really neat color pictures, and is narrated by a cool Hollywood star who once portrayed JFK in a T.V. movie;-It beats talking about work around the round table in the lunch room.This is tomorrow--plan your lunch acquisition accordingly, or you will miss the beginning of the show.
