Subject: Situation resolved

At long last, the uncertainty over the dates I need to be in Boston and the dates I need to vacate my VA apartment have been settled. So, I can FINALLY give you a definitive departure date for when I am leaving ARRB offices. My last day in the office will be Friday, August 1. I have two weeks of annual leave built up, so, as Tracy and I have discussed, I will use those for August 4-8 and 11-15; therefore, my last day on payroll will be August 15. I apologize for the delay in being able to give you a solid, immutable departure date. I hope you understand that things have been somewhat fluid as school gets closer. Anyway, thank you all for the wonderful opportunity of having worked here, and I look forward to this last month with you, during which my primary focus will be the preparation for and successful staging of the (first?) mass declassification session on July 21-24.
