Subject: Lincoln Diaries

CALL REPORT: PUBLICDocument's Author: Brian Rosen/ARRB Date Created: 07/08/97 The Players Who initiated the call? Review Board's representative in the call: Brian RosenGeneral Public's representative in the call: Stephen Blakeslee,Jr.Description of the Call Date: 07/08/97Subject: Lincoln DiariesSummary of the Call:I spoke with Mr. Blakeslee, original executor of the Lincoln estate, regarding his knowledge of post-1963 Lincoln diaries. Blakeslee informed me that he has no knowledge of the existence of any personal diaries (diaries with narrative) kept by Evelyn Lincoln. He remembers only the pre-1964 appointment books already delivered to the JFK Library and personal appointment books kept by the Lincolns up to their death, which contained reminders for dinner appointments, hairdresser appointments, etc. Blakelee discarded these personal appointment books when he distributed the items making up the estate. He suggested I contact Frank McGuire with this question, which I had already attempted to do prior to contacting Blakeslee. Don't forget to compose individual Action Item documents for any action items that resulted from the call!
