Review Board's representative in the call: Brian RosenGeneral Public's representative in the call: Frank McGuireDescription of the Call Date: 07/08/97Subject: Lincoln DiarySummary of the Call:I called Mr. McGuire to inquire whether he had knowledge of any personal diaries (diaries with narrative) created by Evelyn Lincoln. He stated that he only had heard general rumors regarding the existence of any such diaries and had never seen any concrete evidence from Evelyn Lincoln or anyone else that they had ever been created. He stated that he had always assumed that some type of diaries existed and were the basis of Lincoln's books but acknowledged that she may have worked off of the appointment books now in the custody of the JFK Library. He reiterated that he received no diaries of any kind from the Lincoln estate. He also suggested I contact Lisa Norton, a Lincoln relative and another beneficiary with my question, which I had already done earlier in the day.Don't forget to compose individual Action Item documents for any action items that resulted from the call!
