Body:	CALL REPORT: PUBLICDocument's Author: Michelle Combs/ARRB Date Created: 07/10/97 The Players Who initiated the call? Review Board's representative in the call: Michelle CombsWitnesses/Consultants's representative in the call: Verna Deane (Brown) BradleyDescription of the Call Date: 07/10/97Subject: Verna Deane Bradley called Michelle CombsSummary of the Call:Mrs. Verna Deane Bradley called Michelle Combs in response to an ARRB letter of July 1, 1997 and a telephone message. Mrs. Bradley was the consular secretary at the American Embassy in Moscow for two and one-half years. At that time, she was married to George Stanley Brown the assistant agricultural attache. Mrs. Bradley said she believed she arrived in Moscow in 1959; she remembered attending the American Exhibition at Sololniki Park in the summer of 1959. Mrs. Bradley did not remember Lee Harvey Oswald coming into the American Embassy except to deal with the difficulties in getting his wife a visa and in preparing to depart the Soviet Union, though she said it was certainly possible he had come at other times. She remembers Oswald as a very impatient , unpleasant, and difficult young man. Mrs. Bradley said she knew several CIA officers in the embassy, but that she did not believe any of them had any reason to deal with Oswald. She did not remember Oswald ever being taken above the first (public) floor of the embassy, though she said that was certainly possible.Mrs. Bradley was very willing to answer any questions and invited ARRB to Rehoboth at our convenience but said she did not believe she could add much to what was already known.Don't forget to compose individual Action Item documents for any action items that resulted from the call!
