Subject: Irene's clearance
I just heard from the CIA reviewer and she said that Irene's case has to go before the Board and they are meeting on Wednesday. She knows that we are trying to get it for Irene for a meeting on Wednesday so is going to try to piggy back it onto another component of the Board maybe before Wednesday--but no guarantee. The good news is that the Board makes a decision on the spot so we will have an answer by Wednesday at the latest.
