Welcome back! I have not yet heard from your friends at NPRC. I would like to go to St. Louis the week of the 21st if they have located all/most of the files and if that week is convenient for them. If they need additional identifying information to find any files, please let me know. Jeremy needs Marty Underwood's file as soon as possible and definitely before Thursday. Can you ask them to copy and Fed Ex it early this week. Irene has all the identifying information on him if you need any more. I hope you had a good vacation. Sorry to dump this on you but time is short. Thanks!
