**Subject:** Subpoena of John P. Mohr Estate

Yesterday, we served by mail the subpoenas directed to records within the estate of John P. Mohr (the no. 3 man at the FBI at the time of the assassination). This morning, I spoke with Joseph Henry Scott, co-executor of the estate and son-in law of Mr. Mohr, and informed him that the subpoenas were being served. I faxed him a courtesy copy, explained generally what the subpoenas require, and told him that we were willing to work out any arrangements to minimize any inconvenience to the Mohr family. Mr. Scott was cordial and offered that the only record he was aware of was John Mohr's copy of the Warren Commission report.
