Subject: CA

Do you know what per diem is for CA? I spoke to Meghan at Riviera reservation services (she will call me back within the hour) but says that there are two different places in Laguna beach: one is the Surf and Sand hotel , not Sun and Surf, and the other is a place called the INN at Laguna Beach. She said both are two of the most deluxe properties in Laguna Beach and estimated that the price would be between 2-300 a night. I told her to find out for sure what the price would be, if they have govt rates for the nights August 20-23. Let me know if you have any questions, concerns or further info, and I'll get back to you as soon as I hear from her.
