Subject: Down the road...
"Some people into Jesus; Other people into Zen. I'm just into everyday: I don't hide from where I've been. I just go down, mama, Go on down the road, And see what's going on, Down the road."Stephen Stills "Down the Road"Bueno suerte, amigo! Thanks for everything, not least the Kurt Vonnegut commencement address -- even I would have to say it beats any Stephen Stills lyrics I can think of...Maybe see you somewhere down the road!
