 w/Ramona who said their group conducted a complete search w/in their ARRB Receipt File & other sources,  
 finding no record of text material re: our request...It was suggested that the Motion Picture Branch (MPB)  
 might have this material...Eric checked w/Les Waffan & David Kepley of MPB & they independently confirmed  
 they don't have transcripts...I seem to recall Laura acquired the list from the folks in New Orleans as a general  
 list of Garrison/Connick materials...Kevin is not in the office now, so I cannot ask him for further clarification  
 on that...I cannot think of any further action we can take on this...Dave :-)

 Tapes re: Perry Raymond Russo and Gordon Duane NovelTom:I checked on the transcript references (on the  
 list Laura brought from New Orleans) & asked Laura if she recalled whether the physical transcripts were  
 included w/in the stuff she brought from there...Laura said she brought tapes as well as text material...Kevin  
 helped me recall carrying 2 boxes to NARA last year, but I thought only 1 box came from New Orleans...Laura  
 thinks the audio stuff went to Kepley & the text stuff went to Tilley...I called Tilley today & Ramona (who is in  
 charge this week), copied the transcript references from me saying she would definitely check & have an  
 answer on Monday...Eric is still following up w/Kepley to see if they are in the Motion Picture Branch...The  
 transcript references I gave Ramona are:2nd Interview between P. Russo and (1) 7" Reel Tape (1) Transcript  
 with correctionsJ. Phelan Perry Russo & Washington Post #5 (1) 7" Scotch 290 tape box with tape labeled as  
 above (1) transcriptPerry Russo & Geo Lardner Wash. (1) 7" Audio tape in box labeled as above (1)  
 transcriptDave :-)
