To: wilson.sullivan @ stlouis.nara.gov (Wilson Sullivan) @ INTERNET @ WORLDCOMcc: From: Dave Montague/ARRB Date: 08/05/97 10:20:11 AMSubject: Re: Request for information on 3 former military people...Well Wilson, you were such a big help before w/Saundra Spencer that we've come looking for you again my friend !!! ...I left a message w/your office, but want to ensure you get this timely because it's a priority for our General Counsel's Office (if you can help)... :-)We are interested to know some general information about 3 people: 1) Homer Wilson, 2) Arthur Hackwood & 3) Rocco NavarroAll 3 were members of the "Army Security Agency" (similar to NSA) during the 1950s & 60s...My understanding is that Wilson/Navarro were Army Officers & Hackwood was at one time the Chief of Operations for ASA...I verified this morning that NPRC's civil service side is looking for any records they may have & anything you can do on the military side is greatly appreciated... My understanding is that we're not interested in obtaining copies of the file right now (which I know from Bill Siebert uses up your offices limited resources), rather just background about the individuals to aid our efforts...Thank you in advance for allowing such a request on short notice & please give me a buzz later today so I can provide any additional information needed...Dave202.724.0088, x258
