The following are resources I used in my inquiry: American political assassinations: a bibliography of works published 1963-1970, related to the assassinatoin of John F. Kennedy, Martin Luther King, Robert F. Kennedy. The author is Committee to Investigate Assassinations. Another book was by William Clifton Thompson titled "A bibliography of literature relating to the assassination of President John F. Kennedy. Another source was by William R. Rice entitled John F.
