Subject: Conversation with Jim Wolfe
I called Jim Wolfe to thank him for providing us the Herbert Miller transcript on an expedited basis. Mr. Wolfe indicated he will be printing out additional transcripts (as were identified in Steve Tilley's letter of April 17, 1995). Mr. Wolfe said that, to the extent that we have future interviews where we may need specific Church Committee testimony, we should let him know so that he can provide us with such testimony as we may need for the interview.
